NOTICES, INSTRUCTIONS AND DEFINITIONS

Purpose of the Form: The information and certification on this form are designed so that a person licensed under 18 U.S.C. § 923 may determine if he or she may lawfully sell or deliver a firearm to the person identified in Section A, and to alert the buyer of certain restrictions on the receipt and possession of firearms. This form should only be used for sales or transfers where the seller is licensed under 18 U.S.C. § 923. The seller of a firearm must determine the lawfulness of the transaction and maintain proper records of the transaction. Consequently, the seller must be familiar with the provisions of 18 U.S.C. §§ 921-931 and the regulations in 27 CFR Part 478. In determining the lawfulness of the sale or delivery of a long gun (rifle or shotgun) to a resident of another State, the seller is presumed to know the applicable State laws and published ordinances in both the seller's State and the buyer's State.

After the seller has completed the firearms transaction, he or she must make the completed, original ATF Form 4473 (which includes the Notices, General Instructions, and Definitions), and any supporting documents, part of his or her permanent records. Such Forms 4473 must be retained for at least 20 years. Filing may be chronological (by date), alphabetical (by name), or numerical (by transaction serial number), as long as all of the seller's completed Forms 4473 are filed in the same manner. FORMS 4473 FOR DENIED/CANCELLED TRANSFERS MUST BE RETAINED: If the transfer of a firearm is denied/cancelled by NICS, or if for any other reason the transfer is not complete after a NICS check is initiated, the licensee must retain the ATF Form 4473 in his or her records for at least 5 years. Forms 4473 with respect to which a sale, delivery, or transfer did not take place shall be separately retained in alphabetical (by name) or chronological (by date of transferee's certification) order.

If you or the buyer discover that an ATF Form 4473 is incomplete or is completed after the firearm has been transferred, and you or the buyer make a record of your discovery, then photocopy the inaccurate form; any necessary additions or revisions to the photocopy. You only show changes to Sections B and D. The buyer should only make changes to and C. Whoever made the changes should initial and date the changes; corrected photocopy should be attached to the original Form 4473 and part of your permanent records.

Over-the-Counter Transaction: The sale or other disposition of a firearm to a buyer, at the seller's licensed premises. This includes the sale or disposition of a rifle or shotgun to a nonresident buyer on such premises.

State Laws and Published Ordinances: The publication (ATF P-530) of State firearms laws and local ordinances ATF distributes to licensees.

Exportation of Firearms: The State or Commerce Departments may require a license prior to export.

Section A

Question 1. Transferee's Full Name: The buyer must personally complete Section A of this form and certify (sign) that the answers are true, correct, and complete. However, if the buyer is unable to read and/or write, the answers (other than the signature) may be completed by another person, except the seller. Two persons (other than the seller) must then sign as witnesses to the buyer's answers and signature.

Question 11.1. An alien admitted to the United States under a nonimmigrant visa includes, among others, persons visiting the United States temporarily for business or pleasure, persons studying in the United States who maintain a residence abroad, and certain temporary foreign workers. The definition does NOT include permanent resident aliens nor does it apply to nonimmigrant aliens admitted to the United States pursuant to either the Visa Waiver Program or to regulations otherwise exempting them from visa requirements.

An alien admitted to the United States under a nonimmigrant visa who responds "yes" to question 11.1 must provide a response to question 12 indicating whether he/she qualifies under an exception.

Question 12. Exceptions to the Nonimmigrant Alien Response: An alien admitted to the United States under a nonimmigrant visa is not prohibited from purchasing, receiving, or possessing a firearm if the alien: (1) is in possession of a hunting license or permit lawfully issued by the Federal Government, a State, or local government, or an Indian tribe federally recognized by the Bureau of Indian Affairs, which is valid and unexpired; (2) was admitted to the United States for lawful business or pleasure; or (3) is a member of a State, local, or national law enforcement agency.

GCA limitations as any other firearm. See Section 922(b)(3)(b). 18 U Section 922(b)(1) makes it unlawful for any person to sell any firearm or shotgun or rifle to any person who is not a resident of the State in which the firearm, to include one that can only be made into a long gun, is a "firearm than a shotgun or rifle," it cannot be transferred to anyone under the age 18. Also, note that multiple sales forms are not required for frames or receiver firearms, or pistol grip shotguns, since they are not "pistols or revolvers" Section 923(g)(3)(a).

Question 19. Gun Shows: If sale at gun show or other qualifying event sponsored by any national, State, or local organization, as authorized by § 478.100, the seller must record the name of the buyer and the location (city, State) of the sale in question 19.

Question 20a. Identification: List issuing authority (e.g., State, County, Municipality) and type of identification presented (e.g., Virginia driver's license (VA DL), or other valid government-issued identification).
